“Green” Christmas ideas *2020 Edition*

- Make gift wrap with brown paper or newsprint. Decorate with evergreen sprigs and tie with string or twine.
- Re-gift – An item you can't use or don't want may be a treasure for someone else.
- Buy 100% beeswax candles. They are biodegradable and burn clean.
- Make birdseed balls to give away.
- Create a family history book with old photos for younger family members.
- Share homemade Christmas treats with those who are isolated because of COVID.
