Christmas eco-friendly tips to celebrate

- Give consumables such as homemade cookies, preserves or local food products.
- Serve locally sourced food for your holiday meals.
- Avoid disposable dishes and cutlery when entertaining.
- Give gift cards or handmade gifts.
- Secondhand is the way to go. Buy gently used books and other items.
- Consider the product's expected lifespan as well as whether or not it can be recycled or upcycled.
- Donate to a charity in a friend or family member's name.
