

## EcoNugget

### Take the Zero Waste Challenge

- <https://reepgreen.ca/> This Kitchener nonprofit offers a zero waste challenge in October, as well as helpful tips for reducing waste.
- <https://www.storyofstuff.org/> This American nonprofit is launching **Bring Back Refill**, a campaign demanding that Coca-Cola, the world's largest bottler, match its global commitment of 25% refillables by 2030 in the U.S., its largest market. See their website for many other waste reduction initiatives & ideas.
- <https://www.tru.earth> Make a real difference. Buy products like dishwasher tabs, detergent & fabric softener from a Canadian company. No plastic jugs offered here!!
- <https://www.terracycle.com> Find out about free recycling solutions for hard-to-recycle waste items not accepted in your blue bin.
- <https://earth911.com/> Concrete ways to help you change habits to create a more sustainable environment. More ideas, less waste!!
